BETWEEN THE BELLS!

October is upon us, and we have quickly cruised our way through the first month of learning and growth here at UCHS. As a staff, we would like to extend a huge welcome to each of you back to another school year or maybe even your first with us. With anticipation and enthusiasm, we'd like to remind you of our three core beliefs that will shape our journey together: Respect, Responsibility, and Choose to Learn.

Respect is the foundation upon which our school community is built. We encourage a culture of inclusivity, empathy, and appreciation for diversity. Every student and staff member deserves to be treated with kindness, consideration, and dignity. By practicing respect, we create an environment where everyone feels valued, heard, and supported.

Responsibility is something we value in the development of building responsible citizens. We believe that instilling a sense of responsibility in our students prepares them for a successful future beyond the walls and corridors of UCHS. We encourage them to take ownership of their learning, their actions, and their choices.

Choose to Learn is where we see students making good choices with how they interact with one another in class and taking their own learning seriously. Positive interactions with staff and students, following through with expectations for assignments and deadlines, along with regular attendance are just a few indicators of choosing to learn.

Together, when we choose to learn, show respect, and take responsibility, we build a stronger school community for everyone. Thank you for continuing to grow with us on this journey and I am so excited for the year ahead with you all!

Mr. Graeme Gieni

WELCOME TO UCHS

I hope to introduce 3D printing as a regular part of my classroom plans to bring the materials to life.

Hello UCHS families, I am so happy to join this educational community as your new Principal for the school year. A bit about me, I completed my education degree at the University of Regina, majoring my education degree in Visual Art. I since have worked in multiple schools around Unity prior to joining Unity Public School six years ago as VP. It was a great change to be able to start teaching back in Unity where I have called home for the last 20 years, along with my wife and two sons. Currently I am teaching Grade 7 PE and Visual Art 20/30. I'm looking forward to the opportunity to build new relationships with you all and to be a part of the Warrior community.

STUDENT COUNCIL REPORT

Our newly formed Student Council is comprised of former groups SLC and PSCC. We are off to a great start under the leadership of Claire Moscrip and Jada Poitras. We have some former members and some new members who are all motivated to make the year a blast. Welcome Week was a great start to our year! The SC would like to thank all the businesses and organizations that joined us to compete in the Annual Chili Cookoff. The RCMP team came out victorious with the Resource Center in 2nd and Davin Agar in 3rd. Together we raised \$500 for the Terry Fox Foundation. We have held our first pep rally and are busy planning incentives for the Fruit & Vegetable Sale as well as our Spooky Halloween Dance. Watch for upcoming details about the dance on October 31st as well as food drive competitions happening within the school. This year's canvass of the town for the Food Bank will NOT happen October 31, but we are planning several ways to gather donations throughout the year. Our Student Council meets Tuesdays at lunch, and we are still accepting members. Come join the fun!

CHILI COOKOFF WINNERS

Thank you to everyone who participated in the Chili Cookoff on Wednesday, September 17! It was amazing to see so many UCHS Warriors and community members come together for some friendly competition, great food, and lots of laughs. And the chili crown goes to... the RCMP! They brought the heat and took home the big win—congratulations to the champions, pictured below! Coming in hot behind them were the Unity Resource Center in second place and Grade 7 student Davin Agar taking third. Great job to all the teams! Also a huge thank you to the Unity Co-op for donating the bowls for our cookoff!

SENIOR GOLF

The senior golf team, comprised of Daxon Walz, River Thompson, Bennett Bretzer, and Daxon L'Heureux, competed at Districts held at Jackfish Golf Course on Wednesday, September 17. All the boys played well and represented our school with pride, determination, and great sportsmanship. Great work boys!

A special thank you to Regan L'Heureux who volunteered to coach the senior golfers this season. Your help is greatly appreciated.

Grade 9 – Riley Bartley, Heleina Tisado, Kingston Meredith, and Alexa Goring

JR. 'A' GIRLS VOLLEYBALL

The Junior A Girls Volleyball team has been off to a fantastic start so far this season. So far, the team has attended two tournaments. In Wilkie on weekend one, the girls grew massively as a team and took home the gold medal. In North Battleford at NBCHS, the team faced some very strong competition. They rose to the challenge and played fantastic volleyball against some strong teams that we will continue to compete against throughout the year. At this tournament, they took home third place.

Moving forward, we will be competing at tournaments in Spiritwood and JP11 in North Battleford. We will also be hosting our home tournament on October 18th, so make sure to come out and support the girls. Following that, we will have conference playdowns at JP11, and we will wrap up the season when we HOST Junior Girls District Volleyball, on Thursday, October 30th.

The girls have been practicing hard in order to prepare for the rest of the season. They will participate in some league play on Wednesdays as well. Congratulations on the impressive season so far, ladies, and keep working hard for the rest to come!

The team consists of three Grade 8s – Blakely Carlton, Jesse Cooper, and Jaycelyn Tyler – and nine Grade 9s – Ella Brebner, Ashlyn Brown, Emersyn Brown, Emry Gumpinger, Brinley Headrick, Chloe Moscrip, Hayley Wagner, Myah Wagner, Shaye Winterhalt. The team is coached by Mrs. Rhonda Gartner and Ms. Lauren Gartner.

JR. 'B' GIRLS VOLLEYBALL

The Jr. B girls volleyball team is already having an amazing season and cannot wait for what's ahead! So far, the girls had their first tournament in Wilkie. The girls had a lot of growth over their first tournament and played some really close games, ending the tournament off with a dominant win. The girls will also be taking part in league this season, They won in three straight sets against Wilkie in their first league game of the season.

The girls will have more league games both at home and on the road. They also have two more tournaments to look forward to. They will be in Macklin on October 4th and then they have their home tournament on October 18th! Be sure to come out and watch.

The team this year is made up of a mix of grade 8 and grade 9 girls. This year's team includes Reign Baes, Kailey Bertoia, Summer Gruhlke, Zaida Heck, Anallah Johnstone, Aliya Keller, Livia Lang, Jaidyn Mackrell, Tejasvi Nedunuri, Jailyn Reiniger, Taenslee Wagner, and Sevaya Wildeman. This team is coached by Miss. Kennon and assisted by Brynn.

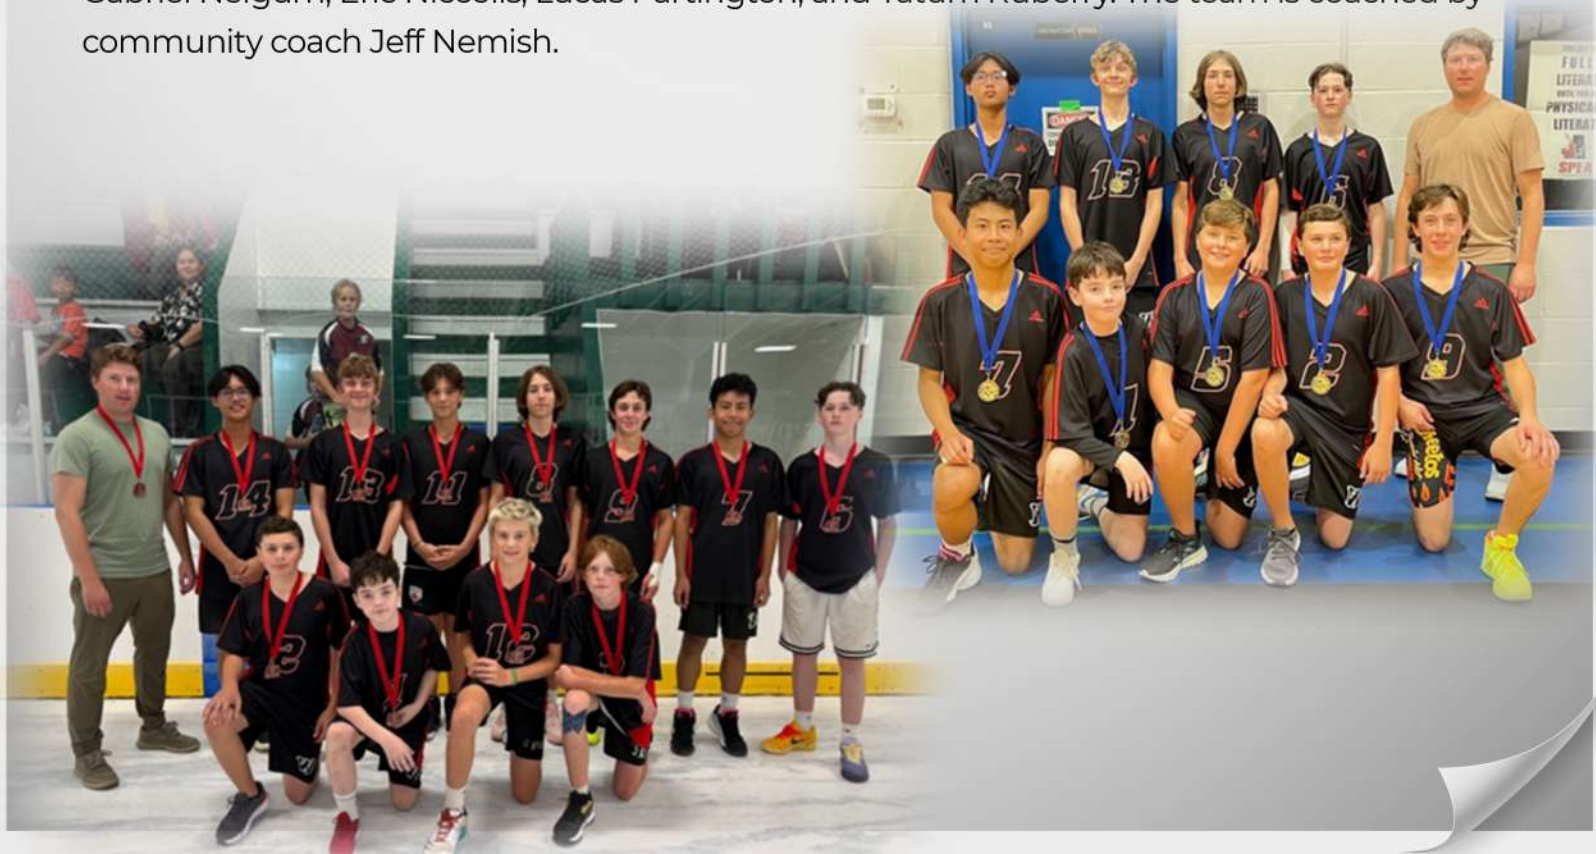

JR. BOYS VOLLEYBALL

The Junior Boys volleyball team has had a great start to the season. The team has travelled to two tournaments so far, one in Wilkie and one in Medstead. spent the last couple of weeks preparing for the rest of their season. In Wilkie, the boys participated in pool play and went 3-2. Their positive teamwork and hard work led them to the bronze medal. While participating in the Medstead tournament, the boys showed tremendous growth, with improvements in communication, rotations, intensity, and utilizing skills learned in practice. Because of this, they earned the gold medal for the weekend.

The boys will continue their season with two visits to JPll, one for a tournament and another for Junior Boys Districts. They will also host two tournaments of their own – one on October 4th and another on October 25th, South Conference Championships.

The boys have been practicing hard so far to ensure a successful season. They have had great growth so far as a team, and they hope to continue that growth throughout the season. Keep up the good work, boys!

The team is coached by community coach Jeff Nemish.

SR. GIRLS VOLLEYBALL

The A team has kicked off their season in style. September 5th and 6th, we travelled to the U of S tourney and battled hard against a variety of very tough teams. They defeated Langham in their playoff game to end the tourney. While there, they explored the campus a little and took in the Huskie Football Homecoming Game win!

September 12th and 13th, the team was in Maple Creek for their annual tournament. This trip is not complete without a stop at the greatest toy and candy stores in Saskatchewan! The girls finished 1st after the round robin, then lost to Gull Lake in 3 close sets to settle for silver.

After much planning and preparation, the team hosted their home Tourney for Truth and Reconciliation on September 19th and 20th. The theme of this year's tournament was Honouring Indigenous Artists. We began with a school-wide assembly featuring guest speaker, Shalen Fox, and a tribute to former student poet, Mercedez Tate.

This 11 team tournament featured a Unity Game on Friday night with 1 player from each team taking part in a friendly match. We also took a coach group photo to celebrate SHSAA Coaches Week! Saturday each team highlighted an Indigenous artist their team had learned about. The presentations were all informative and impressive. The highlights were the Maple Creek girls telling about their ribbon skirts and a player and assistant coach from Makwa performing two Jingle Dances. After this, a serving contest ended with Plenty Wildcats as the winners of the beautiful cupcakes donated by Chelsea Fawell, the Cake Mama. Playoffs followed with the results being Gold to Bert Fox Bisons, Silver to Unity Warriors, and Bronze to Plenty Wildcats.

Thank you goes to all our volunteers, to the staff for their support, and to the parents for their generosity and time. We are already excited about next year, but after all that hosting, we're ready to be the guest. The team travels to Lanigan on Sept 26 and 27.

SR. BOYS VOLLEYBALL

With a significant amount of turnover from last year, this year's version of the Warriors started on the first day of school to prepare for opening tournament in Wilkie. It was a great learning tournament and the team ended up 6-6. The following weekend in Medstead, the team showed a bit more experience and they ended up 2nd overall. Their tournament in Maidstone was a lesson that consistency will be needed to win key games. After two days on the concrete, the team did not place in the top half of teams attending.

Remaining tournaments included Clavet, Maidstone, LCBI and their home tournament on September 27. The enthusiasm to improve is definitely present with this team and they are looking forward to the playoff run in November. Come out and watch this exciting team develop. They are entertaining.

See you in the stands.
